Adam Clark

(1) Adam Clark comes from Manchester in England. He is 30 years old. His parents, Mark and Betty don't live in England. They stopped working and moved to Spain. Adam has also three sisters and two brothers. They are all older than him and already have wives or husbands and children.

(2) Adam has a flat in the centre of the city. The flat is quite big. There are two bedrooms, a living room, a kitchen and a bathroom. He bought the flat a year ago and still hasn't bought all the furniture, because he hasn't got enough money. But he likes coming back there after work.

(3) Adam is a doctor and works in a hospital. Sometimes he works during the day but sometimes at night. It's hard work but Adam loves it because he likes helping people. The only problem is that Adam would like to have a dog but he can't because he works long hours.

(4) Adam has many friends. When they have free time they go to the cinema or to a pub and talk. Sometimes they go to see a football match. Adam's favourite football team is Manchester United.

(5) When he has holidays he always spends them in an active way. In winter he goes to the mountains. He likes skiing. He usually goes to the mountains with one of his sisters, Mary, and her two children. In summer he visits his parents in Spain and spends time on the beach.
