Zadanie 1.

Tekst 1.

Woman: Hi Mike! It's Tina. You won't believe it but I've got a dog. I called him Spotty because he's all white with a big black spot on his head. I can't wait to show him to you. I'm sure you'll like him.

Tekst 2.

John: What are you going to do during the winter break, Julie?

Julie: I'm going to the mountains with my cousin. She's an excellent skier. I'd love to ski, but I can't.

John: So how are you going to spend your time?

Julie: There's a skating rink and I'll spend my time there. I love skating. In summer I always go hiking in the mountains, but I never do it in winter. I'm scared of snow storms.

Tekst 3.

Man: Hi, Mum. Home at last! I hate Fridays at school.

Woman: Hi, Tom. Mary was here. She said she couldn't contact you on your mobile phone.

Man: I must call her straight away. But where is my mobile? I can't find it.

Woman: Oh no, not again, Tom! Where did you leave it this time?

Man: I've no idea. Maybe I left it on my desk at school? I was in such a hurry packing my books.

Woman: What about the bus?

Man: I'm sure I didn't take it out on the bus. I was reading a book all the way home.

Woman: Perhaps you left it somewhere at home? Let's start looking for it here. Look, here it is! Under your bed.

Man: Mum, you are a genius! It's good I don't have to go back to school and look for it.

Tekst 4.

Assistant: How can I help you, Mrs Smith?

Woman: Can I have some of these? I'd like to make a salad. I'll serve it with the chicken I bought in that new shop round the corner.

Assistant: So, you've already been there. What do you think of the place?

Woman: It's all right.

Assistant: Do you know there will be a new baker's in this area soon?

Woman: Really? But yours will still be the only shop selling such wonderful plums and these great pumpkins here.

Assistant: I hope so.

Tekst 5.

Girl: Hi, Gina. This is Sophie. You know what? John has called to say he's sorry. I'm so happy. You really helped me with the problem I had with the whole situation. I just had to tell you! Call you again later.

Zadanie 2.

- Ann:* James, do you remember that Aunt Betty is visiting us this weekend? Where would you like to take her?
- James:* Well, I can take her wherever she wants on Saturday morning and on Sunday but the problem is Saturday afternoon. My coach will be waiting for me at the swimming pool then as I have to practise for the diving competition.
- Ann:* Did Aunt Betty tell you what she'd like to do here when you talked to her on the phone last time?
- James:* Oh, yes. She's been hoping to visit the National Museum. Do you think mum would like to go with her on Saturday afternoon?
- Ann:* No, she wouldn't. She hates going to museums. Besides, there is a sale on in the shopping centre and she's been keen to go there with her friend.
- James:* I see. What about you, Ann? Perhaps you could go with Aunt Betty.
- Ann:* I can't go with her either. Tom has asked me out to see the new Bond film. It's at 3 p.m. He's already bought the tickets.
- James:* Well, I don't think it's a problem if Aunt Betty goes to the museum alone. We will spend Saturday morning with her and on Sunday we can all have lunch together in that new restaurant in the shopping centre.

Zadanie 3.

- Man:* Good morning students. Let me tell you about the changes for this term. As the weather is getting warmer, you may spend the breaks outside and you don't need to change your shoes. As for the school uniform, on ordinary days you don't have to wear a jacket and a tie. A white shirt will be enough. But remember – shorts are not allowed. On formal occasions all boys must have both a jacket and a white shirt with a tie. And remember, you mustn't wear sandals or flip-flops. They don't go well with a white shirt so keep them for the holiday on the beach. I hope you'll enjoy your final term. Thank you.
