

TRANSKRYPCJA NAGRAŃ

Zadanie 1.

Wypowiedź 1.

Boy: It's my favourite film based on a true story. A man, who is the single father of a 14-year-old boy and a young daughter, wants to start a new life. He decides to buy an unusual house. In fact, it isn't just a house, but also a ZOO with many exotic animals and people who look after them.

Wypowiedź 2.

Girl: It's a great film for all animal lovers, not only dog or cat lovers. It's about a boy who lives in the jungle with monkeys, bears, parrots and many more wild animals. They are also his best friends who try to save his life. The film shows true friendship between the boy and the animals.

Wypowiedź 3.

Boy: It's a wonderful family film. One day a university professor finds a lost puppy at a train station and he decides to keep the dog. They quickly become close friends. Every day at the right time the dog goes to the station to meet his master coming back from work. When his master dies, he still waits for him in front of the station day after day for nine long years.

Wypowiedź 4.

Girl: This movie is a must-see. It's about a young boy called Sawyer. He is unhappy and lonely until one day he meets an injured dolphin called Winter. The boy saves the dolphin's life and they become true friends. Their friendship is amazing and it totally changes the boy's life. He is happy again.

Zadanie 2.

Boy: When I was in New York, it was very cold and rainy. The wind was very strong. I didn't see the sun for the whole week. I didn't like it at all.

Zadanie 3.

Boy: What should we buy for Kate?

Girl: How about an album of her favourite singer?

Boy: Don't you remember that we bought her two CDs last year? Why don't we get her a book?

Girl: I know she loves cooking. Let's buy her a book with recipes for cakes then.

Zadanie 4.

Boy: Amelia, I've just got my biology exam results. I passed! I'm so happy! And it's all thanks to you. You helped me so much. You should be a teacher in the future!

Zadanie 5.

Girl: Nice place! You have so many flowers. And these roses are beautiful.

Boy: My mum takes care of them almost every day.

Girl: And the grass is really soft.

Boy: If you want, we can sit here on the grass. I'll bring the blankets and the CD player from my room. We'll listen to some music and sunbathe.

Girl: That's a good idea!

Zadanie 6.

Woman: It's great that your girlfriend is coming for lunch! Would you like pizza or chicken with vegetable salad?

Boy: Hmm... I would love some chicken but Kate is a vegetarian.

Woman: OK. No chicken. So I'll prepare a lot of vegetable salad.

Zadanie 7.

Girl: Do you use the mobile phone application I showed you last week?

Boy: Not very often.

Girl: Why not? It's very good. You can read interesting articles, play funny games and even learn languages.

Boy: I don't like it. I sometimes check the weather on it – that's all.
